Deborah Hunt, Williamson County Tax Assessor-Collector recently spoke with Debbie Cartwright at CPTAD and Deborah has passed on Debbie's request we forward the following information to our membership regarding the required posting of our 5 years of tax rate history, Section 26.16. Several websites spot checked by CPTAD were not in complete compliance on how the notice should appear. She did say that Cass County was perfect in their posting (as we always knew you are quite the perfectionist, Becky!) She wanted us to communicate with our fellow Tax A/Cs to clarify some of the most common mistakes she has seen:

1. The required posting is to be prominently displayed on the County's Main Web Page (not the TAC's web page)
2. Should be labeled "Tax Rate Information"
3. All rates should be listed **starting** with 2012 and where other years are included, in descending order
4. Jurisdictions must be listed in alpha order, **not** alpha order **by type** of taxing unit

We appreciate CPTAD giving us a heads up before the December 31 deadline.
